Dear Sir/Madam

1. Preparations for publication of your patent application are now complete. It will be published on **16 April 2003** with the publication number **GB2380725**.
2. On the publication date, details of your application will be entered in the Register of Patents. From then onwards those details, and the application file, will be open to public inspection at the Patent Office, Concept House, Cardiff Road, Newport, South Wales, NP10 8QQ and at the Patent Office, Harmsworth House, 13-15 Bouverie Street, London, EC4Y 8DP.
3. **IMPORTANT:** If you want your application considered for grant of a patent, you must, if you have not already done so, ensure that a request for substantive examination on Patents Form 10/77, together with the required fee (currently **£70.00**), is received by the Patent Office within 6 months of the publication date, that is by **16 October 2003**. That period can be extended by one month by sending us Patents Form 52/77, together with the required additional fee (currently **£135.00**).
4. **IMPORTANT:** If the request and fee for substantive examination are not received by the Patent Office in time, your application will be treated as withdrawn.
5. The information in paragraph 3 does not apply to substantive examination of either a "divisional" application made under Section 15(4) of the Act, or a patent application made following entitlement proceedings. If you would like further information, or if you would like us to send you a blank Patents Form 10/77 (or Patents Form 52/77), please telephone our enquiry number, 08459 500505.
